

**LYCEE LOUIS  
MASSIGNON PRE-  
QUALIFICATION  
DOCUMENTS  
(PRE-TENDER STAGE)**

**Revision 2  
Janvier, 2017**

## **Pre-Qualification**

Lycée Louis Massignon is an establishment of the Agence Francaise de l'Enseignement du Francais à l'Etranger (AEFE), licensed for education activities by the Abu Dhabi Education Council and holding ad professional license from the Abu Dhabi Department of Economic Development under No CN-1002039 (the "Client").

The client wishes to conduct a pre-qualification exercise to select Contractors for the Construction of a new kindergarten and primary School located next to their existing campus on Al Rabdan Road / on Plot 26\_27, Sector E-40, on Abu Dhabi Island ( the "Project").

### **1. Pre-selection to participate in the Project tender process**

This document solely applies to the prequalification of contractors willing to participate to the tender for the Project (the "Tender"). The Tender will come in a second phase during which the successful applicant contractors ("Applicant(s)") will be able to bid for the Tender and submit a lump sum price offer for the contract.

It is understood and agreed that the information provided by the Applicant in the course of the pre-qualification process is to be used by The Client in determining, according to its sole judgment and discretion, the choice of qualified contractors invited to bid for the Tender.

To enter this pre-qualification procedure, contractors must have a valid classification of grade 2 or 3 and should hold a valid license with the department of Economic development in Abu Dhabi.

Any applicant not fulfilling these conditions will not be considered.

During this pre-qualification procedure, applicant will not be charged for any documents. No security bond will be required, either for the submission of applications or for the receipt of the consultation file.

All direct and indirect costs, of whatever nature, for the Applicant's prequalification submission shall be to the sole expense of the Applicant.

The applicant hereby authorizes the Client to make requests to any public official, engineer, architect, surety company, bank, material or equipment manufacturer or distributor or any other person, firm or corporation to furnish any pertinent information requested by the Client to verify the information contained in this pre-qualification submission or regarding the competence and general reputation of the prospective Contractor.

The Applicant undertakes to immediately notify the Client of any significant changes in its corporation legal, financial, organizational and capabilities status that may affect its ability to bid for the Tender.

The legal language for the present procedure is and will remain English.

The currency of reference for this procedure is exclusively the Dirhams of the United Arab Emirates (AED). Fractions of Dirhams shall be in Fils.

The Applicant undertakes that a bank guarantee and insurance will be needed for this Project, terms and condition will be detailed in the Tender stage.

Subcontracting will be permitted for this project. Applicant undertakes that the capacities, skills and references of the subcontractors will be examined at the Tender stage.

The client reserves the right to modify the conditions described in this document and / or its addendum to come. In this case and if these modifications occur within 7 calendar days before the deadline for submission of applications, the Client may extend the deadline for replies. Any update will be published on the school website: <http://llm.ae/marches-tenders/marchestenders-2/>

## **2. Pre-qualification application**

To participate to the pre-qualification process, the Applicant must submit an application composed of a signed and stamped declaration of interest and capacity to participate in the Tender plus all the questionnaire documents as provided herewith in section 1 to 5 ("Questionnaire"), filled with the relevant information and attachments. All the information submitted to the Client by the Applicant during this prequalification procedure will be deemed to be a contractual representation made by the Applicant for the subsequent Tender and contractual process if the Project is later awarded to the Applicant.

In the event that an Applicant has not submitted all of these documents, the Client reserves the right to ask for the missing elements before designating the candidates admitted to participate in the second phase.

The Applicant agrees to furnish any further qualifying information at the request of The Client.

The Applicant guarantees the truth accuracy and completeness of all statements submitted in this questionnaire.

The Applicant is required to print and fill all parts of this pre-qualification document, sign and stamp all pages and return all documents in a sealed envelope to the attention of:

Monsieur Le Proviseur  
Lycée Louis Massignon  
P.O.BOX 2314, ABU DHABI, U.A.E.

PROJECT TITLE: CONSTRUCTION OF PRIMARY SCHOOL – LYCEE  
LOUIS MASSIGNON

Delivery adress: Al Rabdan street. / school contact for direction if necessary, tel: (+971) 2 444-8085.

Additional to one full hard copy of the application, the applicants must submit an electronic version of their applications (CD-rom, DVD-rom or USB stick) in the sealed envelope.

The time limit for receipt of completed prequalification applications:

Wenesday 18<sup>th</sup> January 2017 between 09h00 and 16h00 Abu Dhabi time.

Documents received after this date will not be considered.

Wherever no sufficient space is available for a complete response to any question, additional signed and stamped page(s) shall be inserted for replying to the questions in the pre-qualification document. Any further information not listed in this document can be added if considered to be relevant by the Applicant.

### **3. Contact during prequalification**

Applicants are required to submit in writing to the Client their request for clarifications. The Client shall only accept notifications / clarifications requests submitted at least four (04) days prior to the time limit set out in above article 2.

All requests shall be sent formally by e-mail to the Client and the Project Consultant at the following addresses:

- projets-immobilier@louismassignon.com (Client)
- uae@helalandpartners.com (Consultant)

### **4. Client's right of selection and announcement / Disclosure of Tender Results to Tenderers**

The Applicant submissions will be opened by a private committee at the convenience of the Client and success or rejection of the applicant's submission will be communicated individually to all applicants. The committee will evaluate according to its own criteria the ability,

experience, resources, qualification and competence of the staff along with financial condition of the applicants and will decide accordingly but at its sole discretion the applicants qualifying to participate to the Tender. Rejection of applications, whatever the reason, are final and do not have to be motivated by the Client. They are not subject to any recourse.

After having taken cognizance of the classification issued by the committee and after having examined the candidates or the technical and financial proposals of the competitors, the client reserves the following reservations:

**During pre-qualification:**

- the right to assess the offices of the Applicant and their associated group members, make an on-site inspection and evaluation of work of a similar nature currently being performed by The Applicant. The Client also reserves the right to call The Applicant for an interview and / or a presentation, subsequent to evaluating submittals.
- the right to ask to visit one or more projects chosen from the list of exemplary building (section 4 of prequalification document), once the applications have been submitted and before deciding on the list of companies admitted to submit an offer (Tender stage). Only applications that have been judged to be in conformity and are admissible on the basis of the file submitted will be affected by this request.  
This visit and the resulting findings and the exchanges that may take place with the representatives of the applicant during the visit will be taken into account for the general assessment of the candidate's abilities, skills and references.

The conditions of the tender will be communicated to the qualified applicant.

The Client shall not be bound to accept the lowest priced Tender or any Tender, nor shall it be bound to assign any reason for rejection/selection of a Tender.

Discounts, if any, shall be merged into the quoted prices. The Client reserves the right not to consider, for the purpose of evaluation, any discount that is indicated separately.

Bids will have to remain valid for at least 90 days.

The possibility of proposing one or more variants or options for the submission of projects / offers expected for the 2nd phase will be specified in the Consultation Package given to the qualified applicant only.
